

Psychiatric Services Care Coordinator II

Full Time, Day Shift

Minimum Starting Salary: \$41,433

Do you have a passion for improving the health of individuals receiving behavioral health services? Would you like to be a valuable member of a diversity driven, mission-minded team that impacts our community? If so, we have an exciting opportunity for you to work as **Psychiatric Services Care Coordinator II/Social Worker!**

What You Will Be Doing

Working as a **Psychiatric Services Care Coordinator II/Social Worker** you will be responsible for working in collaboration with a multidisciplinary clinic to assist in engaging and supporting individuals who receive services in our psychiatric medication clinic. This will include providing face-to-face interventions, individualized planning, coordination of care and evaluations for clients who are in our Psychiatric Services clinic without any other assigned services. You will work as part of a team of clinicians to evaluate for appropriate level of care, provide services and connect individuals with resources including both mental health and substance use disorder treatment. The Psychiatric Services Social Worker will work closely with the providers in our psychiatric clinic to provide care coordination and ensure health care integration.

What We Require

A Bachelor's degree in Social Work, Nursing, Psychology or other related field with a minimum of one year of experience in clinical settings working with the target population. Knowledge of DSM diagnostic criteria, co-occurring disorders, evidenced based practices and substance use disorders as well as lived experiences with behavioral health issues are desired.
